## Catholic Primary School

### Attendance Policy Coronavirus Addendum

Approved by Full Governing Body: 8<sup>th</sup> December 2020

Signed  Chair of Governors.

To be reviewed: March 2021, or dependent on any legislative changes

#### Safeguarding Statement:

'Our Lady of the Assumption Catholic Primary School is committed to safeguarding and promoting the safety and welfare of all children and expects all staff, parents, governors and volunteers to share this commitment.'

#### Our Vision

As a Catholic school that puts Christ at the centre, we are committed to encouraging everyone to 'Be the Best They Can Be'

#### Values and Ethos

We believe that everyone is made in the image and likeness of God and we value the equality of all, reject discrimination of any kind, and welcome the diversity of different cultures.

#### **1. Aims and scope**

We are committed to meeting our obligations with regards to school attendance by:

- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence
- Supporting parents/carers and pupils who are concerned about the return to school due to coronavirus

This addendum applies from the start of the autumn term 2020 until the end of the 2020/21 academic year. It sets out changes to our normal attendance policy, and should be read in conjunction with that policy. Unless covered here, our normal attendance policy continues to apply.

We may need to amend or add to this addendum as circumstances or official guidance changes. We will communicate any changes to staff, parents and pupils.

#### **2. Guidance and definitions**

This policy meets the requirements of the Department for Education's (DfE's) [guidance](#) on school attendance during the 2020/21 academic year.

In section 4.2 of this addendum, where we refer to 'close contact', this means:

- Direct close contacts: face-to-face contact with an infected individual for any length of time, within 1 metre, including being coughed on, a face-to-face conversation, or unprotected physical contact (skin-to-skin)
- Proximity contacts: extended close contact (within 1 to 2 metres for more than 15 minutes) with an infected individual
- Travelling in a small vehicle, like a car, with an infected person

This definition is from the DfE's [guidance on full reopening for schools](#) (see number 9 in 'the system of controls').

### 3. Attendance expectations

It is mandatory for all pupils of compulsory school age to attend school unless:

- They have been granted an authorised absence by the school in line with our normal attendance policy
- They cannot attend school due to specific circumstances related to coronavirus (see section 4, below)

### 4. Where 'non-attendance in relation to coronavirus' applies

We will only accept 'non-attendance in relation to coronavirus' in circumstances where a pupil's travel to, or attendance at, school would be:

- Against guidance from Public Health England and/or the Department of Health and Social Care relating to the incidence of coronavirus or its transmission
- Prohibited by any legislation or statutory directions relating to the incidence of transmission of coronavirus

#### 4.1 Pupil develops symptoms or lives with someone who does

The pupil's parent/carer must notify the school on the first day that their child needs to self-isolate. The pupil will stay at home until they or the symptomatic person they live with receives their coronavirus test results.

**If the pupil's test result is negative:** the pupil will return to school when they feel well and no longer have symptoms similar to coronavirus. They should continue to stay at home if they remain unwell (i.e. with a different illness).

**If the person the pupil lives with tests negative:** the pupil will stop self-isolating and return to school

#### 4.2 Pupil or a 'close contact' of theirs receives a positive test result

The pupil's parent/carer must notify the school about the positive test result as soon as possible.

Pupils who test positive must self-isolate for at least 10 days from the onset of symptoms, and must only return to school when they no longer have symptoms (other than a cough or a loss of sense of smell or taste).

If a member of the pupil's household or a 'close contact' tests positive, the pupil must self-isolate for 14 days. The pupil must do this from when the member of their household first had symptoms, or the day the pupil last met with the 'close contact' who received the positive result.

See the definition for 'close contact' in section 2 of this addendum.

#### 4.3. Pupil has to quarantine after travel abroad

The parent/carer must notify the school if their child has to quarantine after travel to a country that is not on the government's [exemptions list](#).

The pupil must quarantine for 14 days on their arrival to the UK and return to school thereafter.

#### 4.4 Pupil is required to shield during a local lockdown

The parent/carer will notify the school if they are advised by the government to stay at home and will provide proof of their shielding letter.

The pupil will stay at home until the shielding measures in the local area are paused. Once the shielding measures are lifted, the Pastoral Manager will contact the pupil's parent/carer to set the expectation that they can return to school and discuss any concerns they may have.

#### **4.5 Remote learning provision**

If a pupil is not attending school because of circumstances related to coronavirus, but where the pupil is not ill, the school will provide the pupil access to remote education. Remote learning plans for each year group are published on the website. Teachers monitor pupil engagement with remote learning, but we will not track this information in the attendance register

#### **5. Recording attendance**

We will keep an attendance register, and place all pupils onto this register.

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by the designated time for their year group on each school day as follows:

Nursery	8.45am
Reception	8.50am
Year 1 and Year 2	9.05am
Year 3 and Year 4	9.15am
Year 5 and Year 6	9.25am

#### **6. Following up absence**

Where any child we expect to attend school does not attend, or stops attending, the school will follow up by 9.30am on the first day of absence with their parent/carer to ascertain the reason.

If a pupil does not attend because they, and/or their parent/carer are concerned about returning to school because of coronavirus, we will arrange a phone call between the parent/carer and a member of the SLT to explain the protective measures the school is taking to keep pupils safe

##### **6.1 Legal sanctions**

Our normal rules on legal sanctions apply.

#### **7. Monitoring arrangements**

This policy will be reviewed as guidance from the LA or Department for Education is updated, and as a minimum every term by the headteacher and Pastoral Manager. At every review, it will be approved by the full governing board.

### Appendix 1: pupil absence codes
