- 1) Staff being distracted from their work with children
- 2) The safeguarding of children from inappropriate use of mobile phone cameras
- 3) Children accessing phone calls, texts, internet via mobile phones

AIM - Our aim is to: Have a clear policy on the acceptable use of mobile phones and cameras that is understood and adhered to by all parties concerned without exception.

In order to achieve this aim, we operate the following Acceptable Use Policy:

Mobile phones in school

Staff phones

All staff must switch off their mobile phones when in school. All phones to be kept in handbags inside locked drawers and not used during work time. Calls and text messages can be made at lunchtime. If

there are exceptional circumstances where staff need to access a phone then permission is given by the Headteacher. The SSO and Headteacher have mobiles to hand for emergencies.

Visitor phones - All visitors must switch their mobile phone off when coming onto school site and not make or receive calls. If calls are needed then the visitor must come back through the main entrance and make / receive the call outside the school office. They receive a leaflet at the office indicating procedures.

- Staff ensure that the Office Staff have an up to date contact information and that staff make their families, children's schools etc. aware of emergency work telephone numbers. This is the responsibility of the individual staff.
- During group outings nominated staff will have access to a mobile phone, which is to be used for essential purposes only.
- It is the responsibility of all members of staff to be vigilant and report any concerns (or non compliance to this policy) to the headteacher.
- Concerns will be taken seriously, logged and investigated appropriately.
- Should inappropriate material be found then our Local Authority Designated Officer on 02476 76834831 will be contacted immediately. We will follow their guidance as to the appropriate measures for a full investigation to take place.
- Permission for children bringing mobile phones into school is given by the Headteacher. If children bring mobile phones into school they need to give them to the school office where they will be kept in safe storage until the end of the day when the child collects it. **A book will be kept recording when mobile phones have been given to/collected from the office and by whom.** Children can only turn their phones on when they have left the school site.
