

Adult Education Service

Maths in Primary School

A free online 5-week course for parents

Family Learning tutors will help to develop your confidence in supporting your children in maths

We will:

- Explain the maths methods currently used at British schools
- Find out how teachers teach maths in class
- Learn maths phrases your children use in school, such as 'partitioning' and 'place value'
- Give you ideas of games to play with your children

These sessions are for parents/carers with children in Reception, Year 1 or Year 2 of primary school.

- Where:

Online sessions that you can watch wherever and whenever suits you

- Start date:

Week beginning 21/9/20, 1 session a week for 5 weeks

- Time:

45 minutes per session (watch wherever and whenever suits you)

- To find out more or book a place:
