Monday 27th January 2020

Dear Parent/Carer,

This week you may notice a change to the reading books your child brings home. Your child will bring home a 'Read Write Inc Phonics' book. This is a book that is carefully matched to the sounds that your child is learning in school and means that they can practise their phonics as they read. In these books some of the words are in red. For example:

Is it Mick at **the** back?

If a word is in red it means that it cannot be read correctly using phonics and it is a tricky word that your child has to learn. The phonics in the book are explained in the front cover and at the back of the book you will find questions to talk to your child about.

Your child will also bring home a second reading book. This is a book that they have chosen themselves from our reading scheme. This is a book that you can share together.

Please continue to hear your child read **every day** at home and complete the reading diary for the class teacher.

If you have any questions please contact your child's class teacher.

Kind regards,

Mrs. Nailor
English Lead
