

Hello There

Soon you will be coming back to school!
We've missed you so much.

What changes have there been?

- Things have been quite strange for the past few weeks, and we've had to stay at home a lot.
- Now we're coming back to school and things are a little different, but some things are the same.
- Let's talk about...

What is **different**?

What is the **same**?

Things that are **different**

- We won't all gather together
- We still need to keep social distancing
- We will be working in smaller groups
- You might be working in a different classroom, with a different teacher.
- Not everyone will be back in school.
- We will have less equipment to use.

Things that are the **same**

- We still have all the same friends.
- We have the same teachers and school staff at school.
- People at school will still care for us and keep us safe.
- We will still have lots of fun and learning at school.

This is the classroom which you will be in

Meet your teachers 😊

How we are going to stay safe in school

- Coronavirus is passed from person to person, so for a while we have to stop doing some things like:-

Giving high fives

Shaking hands

Being really close to other people

Hugging our friends

Instead we can...

Wave to each other

Hug ourselves

Thumbs Up

Smile lots

How we are going to stay safe in school

Social Distancing

Working at your own desk

Washing our hands regularly.

When you arrive/leave school

- You will be dropped-off at the gate.
- Your teacher will take you down to
- Your classroom.
- Please make sure you are following the social distancing lines that have been put in place.
- Quickly leave the school site and don't gather outside.
- Please only arrive at school with a named coat and sunhat, unless you are bringing a packed-lunch in a disposable bag.
