

RECEPTION CLASS HOME LEARNING

Weekly topic: My Family

WRITING

Monday: Ask your child to draw a picture of the people who live in their house. If they share time across two houses, draw who lives in each house. Can they label their family members using their phonics knowledge?

Tuesday: Practice name writing. Can they write their first name? Middle name? Surname?

Wednesday: Can they write the names of their family members? Do they know Mummy and Daddy's real name? They could copy this or use their phonics knowledge. Can they write this? Using chalks, crayons, paint, felt tips.

Thursday: Practice forming the letters of the alphabet. Follow the Read Write Inc rhymes:

[Read Write Inc Rhymes - YouTube](#)

Friday: Ask your child to write out the tricky words they are working on at the moment on pieces of paper and turn them into a pairs game. (I, the, no, go, into and to)

PHONICS

From Monday to Thursday we will share a phonics lesson on the school's YouTube channel. The link will be shared via Class Dojo each day.

You can play phonics games here:

www.phonicsplay.co.uk

You can practise writing letters here:

<https://www.doorwayonline.org.uk/literacy/letterformation/>

Don't forget that you can now use Reading Eggs at home. Look out for assignments that I have set you to do as well.

READING

Share a story each day from our YouTube channel:

[Early Years Story Time - YouTube](#)

Take time to talk about the story.

Look at a selection of family photographs and discuss the changes over time.

Show your child a photograph of them as a baby, a 1 year old, a 2 year old. What could they do at that age? What can they do now that they couldn't do then?

Look at a picture of a family member as a baby (this could be parents, siblings). Discuss how everyone was a baby once. Are there any black and white photographs? Why are these photographs black and white? Do they show older family members when they were younger? Talk about how life was different then.

Draw a family tree- How does your family link together? Can your child draw out their family members and link them together using lines?

Do a picture survey of the people in your house. What is their favourite food? Colour?

Have a family picnic. Lay out a blanket in the living room or garden. Can children make sure everyone has a plate, fork, spoon, cup? How many do we need all together? Give your child a selection of food and ask them to share it fairly between everyone? If there is one left over what could we do?

Sort out the clean clothes. Who do they belong to? Can they deliver them to the right place in the house? Pair up socks. Can they match the patterns/ colours? Can they count in twos to work out how many there are all together?

Make a birthday card for the next family birthday- How old are they going to be? Can they write the numerals to show the correct age? Write a message inside for your family member and sign it with your name.

MATHS

You can find lessons about numbers up to ten following the link below. Please complete one lesson each day:

[Numbers within 10 - Oak National Academy \(thenational.academy\)](#)

Here are some resources to help you with the lessons:

[BBC iPlayer - Numberblocks](#)

At school we use the 'Numeral Song' to help us remember how to write our numbers correctly. You can find the song here:

[the numeral song - YouTube](#)

As you listen to it, practise writing your numbers.

Practise your maths skills on the reading eggs app and complete any set assignments.

There are many maths game that you can play here:

[IXL - Reception maths practice](#)

Personal, Social and Emotional Development

[Circle of trust - Oak National Academy \(thenational.academy\)](#)

You can find three lessons here called:

1. My caring community
2. Community Heroes
3. Wider World

R.E

Can you remember our school prayer? Practise saying it out loud. Here a link to our YouTube channel of me saying it:

https://www.youtube.com/watch?v=io_QW_6T44I
