

RECEPTION CLASS HOME LEARNING

WRITING

Monday- Can your child talk about all the different sports they know? Can they have a go at writing them (i.e. run, jump, skip)?

Tuesday- Listen to interactive stories linked to sport, including Peppa Pig. Talk about how the characters are feeling when they win/lose. Draw a picture to show how the characters are feeling.

Wednesday- Ask your child to draw a picture of themselves doing something sporty. i.e. running, jumping, a cartwheel. Can they label the picture or write a simple sentence e.g. I can hop

Thursday- Use the Read Write Inc rhymes to practise letters that you find tricky:

[Read Write Inc Rhymes - YouTube](#)

Friday- Support your child to practise writing the tricky words: I, no, go, to, the, into, he, she, me, we, be.

PHONICS

From Monday to Thursday we will share a phonics lesson on the school's YouTube channel. The link will be shared via Class Dojo each day.

You can play phonics games here:

www.phonicsplay.co.uk

You can practise writing letters here:

<https://www.doorwayonline.org.uk/literacy/letterformation/>

Don't forget that you can now use Reading Eggs at home. Look out for assignments that I have set you to do as well.

READING

Share a story each day from our YouTube channel:

[Early Years Story Time - YouTube](#)

Take time to talk about the story.

Weekly topic: Sports

Listen to stories linked to sport:

The Large Family Sports Day by Jill Murphy

[Life with The Large Family Sports Day - YouTube](#)

Maisy's Sports Day

["Maisy's Sport Day" book - YouTube](#)

Play a game of catch with a ball - when you drop the ball, you lose a point. You could record points using a tally chart and count up who has the most points at the end. CHALLENGE: See if you can catch the ball standing further apart, catch with one hand or use a smaller ball.

Play Skittles

Ask your child to count how many skittles there are to begin with. Roll the ball at the skittles and ask your child to count how many they have knocked over. Can they work out how many are left?

CHALLENGE: You could write this out as a subtraction number sentence e.g. if you start with 5 skittles and knock over 2 your child would write $5 - 2$. Ask them to count how many are left to find the answer $5 - 2 = 3$

Competition Time

Have a time challenge. Give your child an action to do e.g. hop, skip, jump, clap or star jump. how many can they do in one minute. Keep a record of the scores. Ask everyone in the house to have a go!

Ask your child which parts of their body they use to run? To do a handstand? Draw the parts of the body and for a challenge ask them to label them using their phonics knowledge.

MATHS

You can find lessons about numbers up to ten following the link below. Please complete one lesson each day:

[Numbers within 10 - Oak National Academy \(thenational.academy\)](#)

Here are some resources to help you with the lessons:

[BBC iPlayer - Numberblocks](#)

At school we use the 'Numeral Song' to help us remember how to write our numbers correctly. You can find the song here:

[the numeral song - YouTube](#)

As you listen to it, practise writing your numbers.

Practise your maths skills on the reading eggs app and complete any set assignments.

There are many maths game that you can play here:

[IXL - Reception maths practice](#)

Personal, Social and Emotional Development

[Staying safe - Oak National Academy \(thenational.academy\)](#)

You can find four lessons about staying safe.

R.E

Can you remember our school prayer? Practise saying it out loud. Here a link to our YouTube channel of me saying it:

https://www.youtube.com/watch?v=io_QW_6T44I
