## Pupil Premium Statement 2016/17

### End of year statement

The Government believes that the Pupil Premium, which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and their peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most. The Pupil Premium is allocated to children from low-income families who are currently known to be eligible for FSM in both mainstream and non-mainstream settings and children who have been looked after continuously for more than six months.

In 2012-13, the Government extended provision to those who have been eligible for free school meals (FSM) at any point in the last 6 years. As a group, children who have been eligible for FSM at any point in time have consistently lower educational attainment than those who have never been eligible for FSM. These children are referred to as 'Ever Six Children'

**This year our allocation for Pupil Premium is £113,200. This is made up from :**

**80 x Pupil Premium Ever Six @ £1320 = £105,600**

**4 x LAC @ £1,900 = £7600**
